

## Declaration

Whereas, Audiovisual (AV) providers work with architects and building owners to create buildings that are sustainable, safe, comfortable, productive and efficient; and

Whereas, the audiovisual industry helps improve lives through lifesaving medical technology and networked digital signage helps the public receive critical information in real-time;

Whereas, audiovisual equipment allows government proceedings to be recorded and AV equipment and services are used to protect our nation's people and infrastructure through command and control facilities;

Whereas, millions of students receive an enhanced educational experience through the use of AV information communications technology;

Whereas, the audiovisual industry provides entertainment value to millions of sports fans and concert goers;

Whereas, the audiovisual industry allows companies to meet with customers, shareholders and others around the world without leaving their boardrooms; and

Whereas, the audiovisual industry is a \$75 billion industry worldwide;

Now, Therefore, I, Gary R. Herbert, Governor of the State of Utah, do hereby declare October 18-24, 2009, as

Audiobvisual Week
