

Bill Strupp Named General Manager for The Whitlock Group's Tampa, FL Office

SOURCE: [The Whitlock Group](#) · RELEASED: 4/15/2009

TAMPA, Fla. -- The Whitlock Group announced the appointment of Mr. Bill Strupp to the position of General Manager for their Tampa, FL office location. The Whitlock Group is one of the world's leading audio and video systems integration firms with over \$130 million in revenues, 430 U.S. based employees and partnership in the Global Presence Alliance offering worldwide integrated solutions. The Whitlock Group is a turnkey provider of design, consultation, engineering, integration and service of audiovisual, videoconferencing, video production, broadcast, digital signage, streaming and related technologies.

As General Manager, Bill will oversee the business, financial, operational and administrative functions for The Whitlock Group's team of engineers, project managers, programmers, account executives, installation and service specialists in the company's Tampa, FL location. Previously, Bill was employed as a Manager for Sound Advice in Tampa with responsibilities including managing inventory and cash flow as well as recruiting, interviewing and hiring new sales and install associates. Bill received a Bachelor's of Science degree from the University of Florida in Gainesville.

Doug Hall, Chief Executive Officer for The Whitlock Group, commented, "We are happy to have Bill join our management team. He is a true professional with many years of sales and management experience. In addition, Bill is a team leader with a solid track record of exceeding quotas and expectations. We feel that he will not only add significant value and leadership to our Tampa location, but will prove be an asset to our entire company."

About The Whitlock Group

The Whitlock Group is a systems integration firm focused on the design, procurement, engineering, installation and service of audio, video, videoconferencing, streaming, digital signage, video-production, visualization, broadcast and related solutions.

The Whitlock Group is one of the most technically competent and well respected systems integration and service organizations in the United States. The Whitlock Group's eighteen North American offices are staffed with manufacturer-trained and certified engineers, project managers, programmers, installation specialists and service technicians. And, The Whitlock Group's partnership in the Global Presence Alliance makes the company the largest global audiovisual solutions provider in the world. By providing a complete range of technology and service offerings, from design, engineering, programming and integration to maintenance agreements, on-site staffing, help-desk support and service-contracts, The Whitlock Group is a leading provider of comprehensive and world-class audio and video solutions.
