

# Cleveland, Ohio Roundtable

InfoComm International® Cordially Invites You to a  
Member-Only Regional Roundtable in Cleveland

InfoComm is truly a member-driven association. We want to know what challenges you're facing in the AV industry today and how we can help. Join us and other InfoComm members for a roundtable discussion and networking opportunity. This is your chance to hear what InfoComm is doing to serve your needs, as well as share ideas for the future.

This program is a **free member benefit** and will feature an opportunity to discuss your views on major issues impacting the industry and ways InfoComm can better serve you.

**Wednesday, September 23, 2009 - [Register now](#)**
