Certification is not a guarantee for performance by certified individuals. Certified Technology Specialist (CTS) holders at all levels of certification have demonstrated audiovisual knowledge and/or skills. Certified individuals adhere to the CTS Code of Ethics and Conduct and maintain their status through continued education. Certification demonstrates commitment to professional growth in the audiovisual industry and is strongly supported by InfoComm.

All eligibility, application, score reports, special accommodation requests and general inquiries regarding InfoComm certification will be handled through the InfoComm International Certification Office, with headquarters located in Fairfax, VA, U.S.A. Purchases of education, membership or any other InfoComm services are not required to seek certification.
