

# Outreach and Mentoring

InfoComm takes a very active role in educating the community about the AV industry. Our members are the driving force behind the many successful outreach programs we offer. Find out how YOU can participate today!

## AV Outreach Programs

### Regional Roundtables

FREE to InfoComm members! Designed to bring AV professionals together to learn more about the industry while facilitating peer networking and obtaining feedback on ways InfoComm can better serve the industry. [Find out more today!](#)

### Lunch & Tours

Targeted to architects and facility managers to increase awareness about the AV industry. [Want to participate?](#)

### AV Week

Members reach out to their communities in ways they might not otherwise — all to raise awareness for the AV industry. For those who are wondering what AV Week is all about, visit [the AV Week section of our website](#).

### AV Historians

InfoComm is capturing stories and memories from audiovisual professionals as part of this [oral living history project](#) as the association celebrates its 70th anniversary in 2009. Share your most interesting experiences as an AV pro to help us celebrate the industry. Contact [outreach@infocomm.org](mailto:outreach@infocomm.org) to schedule an interview.

### Public Relations

We are constantly seeking experts on topics covering AV in business, education, government, worship, retail or museums. If you have an expertise to share with the news media, let us know. Contact [press@infocomm.org](mailto:press@infocomm.org).
