

InfoComm Around the World

InfoComm International® is a global organization for the professional AV industry. With more than 17 percent of our members located outside of North America, we provide special events and training opportunities on six continents.

Through activities that include tradeshow, education, certification, outreach and information services, InfoComm promotes the industry and enhances members' ability to conduct business successfully and competently. Members of the industry are encouraged to adhere to [10 Standards of Excellence](#). To find InfoComm members by region, company, specialty or credentials, use the [Member Search](#).
