

Board of Directors

InfoComm International is organized with an elected volunteer Board of Directors and hired staff. The officers of the Board are Chairman [Leadership Development Committee](#), President, President-Elect and Secretary Treasurer. There are four elected at-large Directors and four appointed Directors. InfoComm International has 10 Councils organized by members to pursue common goals. In addition, InfoComm International has three standing Committees of the Board and five steering committees for programs as well as one independent committee for certification.
